Bay EDA Investor Guide

The Bay Economic Development Alliance (Bay EDA) works with strategic partners in Bay County and the Northwest Florida region to enable the area to create new, quality jobs while sustaining and growing the existing economic base. The Bay EDA's efforts reflect the strength of its investor partners. Thank you for considering investing in the Bay EDA and its mission to grow hundreds of new jobs in Bay County.

Investment Levels

City-County Investors
The EDA's government partners, the Bay County Board of County Commissioners and the Cities of Lynn Haven, Panama City and Panama City Beach, each support the EDA at $1.50 per resident. County-City Investors receive one seat on the EDA Executive Committee.

Economic Development Investors
The EDA's Economic Development Investors may be public or private entities and contribute $25,000 per year. Investors in this category receive one seat on the EDA Executive Committee.

Community and Corporate Investors
Community (public) and Corporate (private) Investors contribute at least $5,000 per year.

Letter from the President

Thank you for your commitment to building upon our Bay County economy. Execution of the Bay EDA strategic plan depends on the support of public and private investors. The key benefit to our investors is the growth in new quality jobs that comes from an aggressive, professional economic development agency. Bay County has many assets that set us apart from the competition and the Bay EDA is the lead organization to help the area fulfill its growth potential. There are a number of additional benefits to becoming a Bay EDA Investor:

- Monthly Investor Meetings and updates
- Reviewing and monitoring the progress of the Bay EDA's strategic plan, goals and vision statement
- Receiving regular staff updates on project activity
- Your company's logo on the Bay EDA website with a link to your website
- Networking with other community leaders who are committed to economic development

-Becca Hardin, President, Bay EDA
